Unexpectedly generous behind its private Hamilton Street entry, this delightful ground floor apartment basks in an irresistible blend of Art Deco elegance and stylishly renovated modern function. Tucked away at the rear of only eight apartments, its' exceptional two bedroom/two living layout provides an unusually spacious apartment with the added advantage of a tandem garage and extra storage. Beyond a wide foyer entry, high ceilings and polished timber floors frame a gracious sitting room with an adjoining dining domain, both surrounded by lovely leafy views. A sunny modern kitchen, smartly equipped with granite benchtops, Smeg cooking appliances and Asko dishwasher, ensures easy entertaining accompanied by a completed designer bathroom that's shared by two double bedrooms, each with built in robes. Ducted heating and a manicured communal garden complete this one of a kind residence just a short stroll from Glen Huntly Road shops, dynamic cafes and city bound trams.
