This double fronted take away and cafe site is ready for a new lease of life as either food premises or as a showroom and retail site close to the city and freeway access.

A deep rear yard with excellent rear access provides parking for multiple cars or even as an outdoor display area.

The upstairs residence is currently sublet to a long standing tenant or can be made available for occupation.

TAKE BOTH SHOPS OR JUST ONE.

Note that renovations are needed so bring your ideas.
