

CONTEMPORARY STYLE, CITY EDGE APPREAL

Behind a classic 1970's facade, this stunning 2-storey residence has been brilliantly refurbished inside and out with superb designer flair to create a sophisticated, spacious and sun-drenched city edge entertainer's paradise. The state of the art kitchen includes glass splash-backs, stone benches and stainless steel appliances including gas cooking and dishwasher. Upstairs, 2 generous bedrooms both with built in robes, ultra-stylish bathroom including bath, separate toilet and fantastic city views. Additional features include split system heating/cooling, laundry, fenced front courtyard and off street car parking for one. Outstanding location, moments to the city, beach, parks, city light rail and Bay Street's shopping and restaurant precinct.
